Delaware

Communities In Schools was caught off guard when its Health renewal arrived for 2010 and it was a 60% increase from last year. The current broker and carrier only gave us two weeks to sign the renewal or find another provider. It was brought to my attention "Benefits Connection" might be able to save us money and provide additional benefits. Thanks to John Allen and his staff we were connected to 'Benefits Connection' in a matter of two weeks. This wise move saved us over \$30,000 in benefit costs. We are proud to be a part of such a great company with excellent customer service. With our cost savings we were able to retain staff and hopefully in the future provide improved benefits for our employees.
